

Clarification letter from Affiliating University regarding no. of Seats (in each unit) under UG and PG programs (Point no. 5 in the letter)

Punjabi University, Patiala
(Established under Punjab Act No. 35 of 1961)
(College Section)
Email

No. 4199/College/Branch-3
Dated 5.6.2018

All Principals/Chairpersons/Directors of
Colleges Affiliated to Punjabi University

Subject: Information/Instructions regarding various matters of colleges

Sir/Madam,

The recommendations approved by the Vice-Chancellor, in anticipation of the approval by the Academic Council, during the meeting held on 3.5.2018 for matters related to colleges put up by the Federation of Colleges (PUDCA), are being enumerated as follows:

1. The migration fee charged from a student migrating from one college to another under Punjabi University jurisdiction has been increased from Rs. 7500/- to Rs.10,000/-
2. The date of admission of students from outside Punjab/ foreign countries, is informed to be fixed according to the admission date of re-appear students within 10 days of the declaration of their result, without late fees. After that late fee will be charged as per the prescribed schedule of admissions, after which permission for admission will not be granted.
3. Regarding lateral entry admission for MCA classes, provision has been made for admission to this class on the university campus as well, and ditto provisions should be made in colleges affiliated with the university for admission to lateral entry MCA courses.
4. For fees related to BA/Bed/B.Com.- BA/B.Sc. - B.Ed. (four-year integrated program), it is informed that their fee for the first two years will be charged the same as for BA/BSc/BCom classes and for the last two years as fixed for B.Ed. classes.
5. Regarding allotment of seats in undergraduate and graduate programs it is notified that for all undergraduate programs barring BA, a unit of 50 seats will be applicable and one unit of 40 seats for PG programs is being fixed. But, as the B.Com. course already has 60 seats per unit allotted, therefore, it will remain the same. During the inspection by the Inspection committee appointed for these courses, in case the seats are reduced for any course owing to discrepancies on the part of the college, the unit will be curtailed but the fee for the course will be charged as applicable to the full unit. It is being clarified here that in programs where seats are defined by certain Regulatory Bodies, the above-mentioned rule will not be applicable there.
6. Regarding the advertisement for the post of Principal/staff through the college website instead of the newspapers, it is specified that the advertisement be published both on the website as well as in the newspapers and when the advertisement is given in the newspapers it must be compulsorily specified that the college website can be consulted for related details of the posts advertised.

7. NOC from the govt. of Punjab will not be required to convert girls' colleges, running under Punjabi University, into co-ed colleges, but only for getting CLU for the purchase of extra required land and approval for building from Chief Town Planner, it is notified that it will be mandatory to take approval from-(i) the Chief Town Planner for the blueprint of the building and (ii) approval for the land for being at a single location from Tehsildar/ Finance Department. Also, an FDR will be necessary for the endowment fund earmarked for the co-education college as well as for the related charges. It is also mandated that the conversion of the girls' college into a co-education one will be undertaken under the supervision of the report and recommendations of the inspection committee.
8. Provision is made to give a chance on a priority basis, to those students who have secured a re-appear in their final year of examination.
9. Strict disciplinary action will be taken against those colleges that offer admission to students without collecting their migration certificates.
10. To appoint a Principal in a degree or B.Ed. college where the campus has been converted into Composit-campus, it has been mandated in the meeting held on 11.10.2017, that as per the regulations of NCTE 2014, the Principal who is currently approved and working in both colleges (Degree & B.Ed. college) managed by the same management, shall continue to work in the same form, but if a Principal hasn't been appointed in both colleges, a Principal will be appointed for the degree college and the same Principal will work for the B.Ed. college as well, and a B.Ed. college head should also be appointed for the B.Ed. college.
11. In case an approved Principal/Faculty member working in a college under the University is selected to work for another college under the university and he/she hasn't achieved any extra eligibility qualifications, then, the said Principal or faculty member wouldn't require Approval letter from the university to work in the new college.

Subject: Regarding the approval of the application to start the BALLB (Five Year) program Part I (morning shift) for the session 2014-15 at the college.

Sir/Madam,

In reference to your letter no 822 dated 1-7-2014, it is informed that the Vice-Chancellor, in anticipation of the academic council's smooth progress, has offered the BA LLB (Five Year) programme Part I (morning shift) to the college for the session 2014-15 in anticipation of fulfilling the conditions and recommendations contained in the report (copy attached) submitted by the inspection committee. The approval to start is given under the following conditions mentioned in the report

1. The required approvals from Bar Council of India should be obtained and then submitted.
2. A detailed report should be sent regarding the fulfilment of the conditions mentioned in the report.

It is clarified that the letter will be issued separately after receiving the approval of the Bar Council of India requirement and for the admission of session 2014-15 it will be mandatory to get a notification from the Punjab Government after which the admission will be approved.

Office of the Director, Department of Education (colleges), Punjab, Chandigarh

(College Education Branch)

Order no. - 2005 College Edu. (1)

Dated: Chandigarh, -3-2006

Permission is granted to run the three-year program of B.ScBio-Technology at Government Mohindra College, Patiala from the year 2005 on the following conditions:

No extra posts for faculty, no funds and no other support will be provided to run this course.

This course will be run as per the guidelines laid down by the UGC/University/Government.

The Principal will personally make sure that for the enrolment of students in this course, the condition of a minimum number of students is duly fulfilled.

Conducting this course will not have any adverse effect on the subjects being taught before.

This approval is provisional and may be withdrawn at any time.

If the program being run by the government college is also running in the campus of the affiliated university, then the government college will charge the same fee as the university campus fee.

If such a program is also running in a local aided college, the Government College shall charge a percentage of the fees and funds being charged by the aided college, but in no case shall the Government College charge more than the fees or funds being charged in the University campus.

For such self-financed funds for employment-related programmes, girls will be charged half the tuition fee only.

Before enrolling students for this course, it should be ensured that all related approvals have been received from the university.

Subject:Regarding the approval to run two units of BSc (CSM) programme Part I and MA (Sociology, Public Administration) Part I, M.Com Part I, MSc (Mathematics) Part II, PG Diploma in Yoga, MA Psychology Part II, Bachelor of Journalism and Mass Communication Part II, BSc Agriculture (Four Year) Part III from the session 2015-16 and in addition to this, approval to convert two units of B.Com (Professional) Part III and entry point and three units of B.com (Professional) into three units of B.Com (Honours) programme.

Sir/Madam,

In reference to your letter no. 583 dated 05-04-2016 and letter no. 550 dated 30-03-2016, it is informed that the teaching staff appointed by you is on a contract basis whereas these appointments should have been made on a regular basis through the University Selection Committee. Therefore, it is not possible to permit the commencement of the BSc (CSM) Part I programme from session 2015-16 and to enrol admission in the remaining aforementioned programmes to the entry point Part I from the session 2016-17. So, the appointment of the teaching staff for the said programmes through the University Selection Committee should be conducted as soon as possible and the office should be informed about it. Only after this, it will be possible to consider starting the BSc (CSM) programme from the session 2015-16 and giving approval for admission at the entry point of other programmes.
