Friends Union for Energizing Lives (FUEL)

Memorandum of Understanding

This Memorandum of Understanding (MoU) is entered on 19.04.2023 by and between:

- a. **Government Mohindra College, Patiala**

And

- b. **Friends Union for Energizing Lives** (hereinafter referred to as FUEL) duly registered under the Indian Trusts Act 1882 and having its office at FUEL, Forest Trails Township, Near Sales office, Paranjape Schemes, Near Manas Lake, Paud Road, Bhugaon, Pune, Maharashtra 412115.

This MoU is drawn up and agreed upon to establish the cooperation between **Government Mohindra College, Patiala** and FUEL to bridge the divide that exists between industry and academia in the skill ecosystem and provide skilling support to the youth to enhance their employability.

Background and Purpose of Parties Involved

- A. **Government Mohindra College, Patiala** College was established to provide free education to the state subjects as this region was educationally impoverished. His Excellency, **The Earl of Northbrook**, the then Viceroy of India laid the foundation stone of the College building on 30th March 1875. The building was completed in about nine years and His Excellency, **Viceroy Lord Ripon** performed the Opening Ceremony on **17th March, 1884**. At that time the College was affiliated to the Calcutta University. The college imparted free education to the state subjects until 1937. The tradition of imparting free education for girl students up to the graduation level is still continuing.

B. Friends Union for Energizing Lives–FUEL a credible non-profit organization that provides Career Guidance and Skilling to students throughout India. FUEL has received the highly prestigious Ashoka Fellowship which is awarded to leading social entrepreneurs for their exemplary solutions to social issues.

FUEL aims to work for Mission 2021 as envisioned by Dr. APJ Abdul Kalam for FUEL to reach career guidance support to over 1 crore students. FUEL believes that through the provision of essential life skills; Indian youth can achieve excellence in their professional life. It has a track record of several years, having already reached 1 million students across India, and is supported by India's leading corporate foundations.

Recently FUEL had a great opportunity to interact with the **Hon'ble Prime Minister of India Shri. Narendra Modi** during the **"Champions of Change"** event organized by the NitiAayog from PMO's office in Delhi.

Significant Recognition

- Appreciated by Hon'ble President of India Shri. Ram Nath Kovind

Vision: FUEL has the vision to empower the youth and enable them to become the torch bearers of tomorrow.

Goals:

- To reach students through career counseling and guidance over 1 crore (10 million) students
- To support mechanics & drivers through training for better sustainability & livelihood
- To Train underprivileged youth with future skills & vocational skills from rural and semi-urban areas in India
- Provide 360-degree career support to enable youth to choose the right careers and excel both personally and professionally.

Context of the MoU

GOVERNMENT MOHINDRA COLLEGE, PATIALA taking consistent efforts towards integrated development of Youth as agents of change and expertise of FUEL and its years of experience in the field brought the two parties together. Realizing the skill gap that exists and ensuring that India's huge demographic dividend should not become a demographic burden, both parties thought to come together for more meaningful and sustainable intervention in the lives of youth.

Scope of Work

- a. To establish a cooperative arrangement towards - strengthening the identified objectives.
- b. Review and co-create an initial roadmap for students in the **GOVERNMENT MOHINDRA COLLEGE, PATIALA** for improvement in the employability potential through interventions such as Aptitude training, Future Skill Development(Domain Training), Personality Development, and Soft Skills Initiatives which are **completely free of cost**.
- c. Establish a mechanism for the formulation of strategy and review of progress in mutual consultation with each other with the intent to bring efficiencies in the existing schemes through the convergence of efforts.

Roles and Responsibilities

FUEL's Roles and Responsibilities

- a. To deliver Aptitude training, Future Skill Development, Personality Development, and Soft Skills Initiatives with the support of Corporate Social Responsibility.
- b. Mapping of students on skill development, education, and entrepreneurship based on psychometric/ skill test and counseling.
- c. To facilitate that during skill training students spend reasonable time at Industry Internships for the on-the-job-learning.
- d. To facilitate employment for the skilled student with the support of the industry by providing the maximum companies for placement assistance.

GOVERNMENT MOHINDRA COLLEGE, PATIALA's Roles and Responsibilities

- a. Facilitate co-creation and execution of the agreed plan with FUEL.
- b. To share required policy inputs and data with FUEL.
- c. Assist FUEL in connecting with industry.
- d. Facilitate functioning of the persons engaged by the FUEL in the project.

Terms and Conditions

- a. This Memorandum shall commence from the date of its signing and shall continue for a period of One Year **(which is further extended in the mutual interest of both organizations)**.
- b. This Memorandum is not a legally binding contract and under no circumstances does this Memorandum subject either of the Parties to liability for breach, whether material or minor, of contract or any other liability under national or international law or any other applicable law.
- c. The Parties may nominate an identified individual to establish a **"Joint Working Group"** to manage and execute the cooperative activities mentioned in this MOU.

- d. Parties may use the other party's logo/branding only after prior permission from each other.
